Recitals

Metropolitan Bank Limited issued foreclosure notice against Dev Malhotra regarding property PROP_KA_BLR_077 after payment defaults under the same title chain.

Dev Malhotra sold property PROP_KA_BLR_077 to proxy holder Aarav Sen before the mortgage review was completed.

Aarav Sen transferred property PROP_KA_BLR_077 to Nidhi Kapoor under a benami settlement while Debt Recovery Tribunal Bengaluru and Bengaluru Urban Civil Court considered competing claims.

Operative Clauses

1. Registrar Office and municipal authorities were informed that the same survey parcel may have been used in a sham and fraudulent reassignment chain.
2. The notice states that forged disclosures, duplicate filings, and benami possession arrangements affected the enforceability of the mortgage records.
3. The bank relies on Section 52 of Transfer of Property Act and seeks restraint against any additional transfer pending tribunal review.
4. This synthetic notice is intended to create a dense cross-document graph of persons, organisations, courts, and the same disputed property.
